SUMMARY

Experienced accountant with over 10 years in financial management, auditing, and reporting. Expertise in managing financial records, preparing balance sheets, and ensuring compliance with financial regulations. Looking to leverage my accounting skills in a leadership role such as Chief Accountant or Financial Manager. Proficient in data analysis and financial forecasting using modern software tools. Intermediate experience with ERP systems like Odoo and SAP.

EXPERIENCE

Accountant (Part-time) | Falez Cosmetics | 10/2018 - 02/2024

- Prepared monthly accounting reports and balance sheets
- Analyzed financial data to provide insights for management
- Ensured compliance with company and legal financial regulations

Accountant (Full-time) | Syrian for Metal Pipes | 02/2013 - 09/2023

- Generated detailed financial reports and conducted internal audits
- Managed day-to-day accounting operations and reconciled financial discrepancies
- Developed financial strategies to improve overall company financial health

Accountant & Data Analyst (Part-time) | Accad Shoes | 02/2014 - 11/2015

- Managed accounting entries and generated financial statements
- Utilized data analysis techniques to identify financial trends
- Created data visualization reports to assist in decision-making processes
